Talk about foreign influence. Both Nancy Pelosi and Adam Schiff benefitted from fundraisers thrown by Ukrainian arms dealer Igor Pasternak. Pasternak has thrown two fundraisers for Schiff and a couple for the DNC, in which Nancy Pelosi was in attendance. Pasternak has close ties to George Soros. Pasternak has sold arms to countries like Syria. Pasternak has bought influence with Adam Schiff and the Democrats. Democrats are honest politicians. Once you buy them, they stay bought. The fundraisers were held in Pasternak's luxurious home in Washington DC.

From The Gateway Pundit

Corruption runs deep in the Deep State! No wonder the Democrat House wants to get rid of President Trump now. Speaker Pelosi and Democrat Rep. Adam Schiff are both connected to a Ukrainian arms dealer. This is why they lie in front of the nation. They are afraid of their own deeds being uncovered!

As reported this morning, Adam Schiff leads the House Intelligence Committee and this past week he oversaw the Intel Committee where he attempted to align President Trump wine.

Schiff lied in his opening remarks and claimed numerous falsehoods about the President's call in spite of the transcript being provided the day before.

As reported this morning, Adam Schiff leads the House Intelligence Committee and this past week he oversaw the Intel Committee where he attempted to align President Trump with some 'trumped' up allegations concerning his phone call with the President of the Ukraine.

The Whistleblower's complaint is completely different and at odds from my actual conversation with the new President of Ukraine. The so-called "Whistleblower" knew practically NOTHING in that those ridiculous charges were far more dramatic & wrong, just like Liddle' Adam Schiff..

Donald J. Trump
@realDonaldTrump

....fraudulently and illegally inserted his made up & twisted words into my call with the Ukrainian President to make it look like I did something very wrong. He then boldly read those words to Congress and millions of people, defaming & libeling me. He must resign from Congress!

We know why Schiff is lying – he's connected with a Ukrainian Arms Dealer!

In 2013 Ukrainian Igor Pasternak held two different fund raisers for Schiff asking for contributions between $1,000 and $2,500 –

What the hell is going on with Speaker Pelosi, Shifty Lying Schiff and their Ukrainian Arms Dealer?

Were the Democrats being paid off by Ukrainians? Is this why they lie and push for impeachment of President Trump – to protect themselves and their handlers?
